We will be opening select lobbies on June 1st

We are pleased to announce we will be reopening the lobbies of our Cherry Hills and North Valley Offices starting on June 1st, 2020 while still following the Centers for Disease Control and Prevention (CDC) and government officials' executive orders regarding COVID-19.

Our Farmington office will remain closed in the lobby and continue to be open as drive through only as we will be taking precautions in reopening the office lobby due to heightened COVID-19 cases in the San Juan and the surrounding areas.

Social distancing measures will be in place to help ensure our members and employees health and safety. Face coverings will be required to enter the branch lobbies. Please bring your mask with you. We will be limiting the total number of members allowed in each branch.

Visit our website (www.sfcunm.org/lobbies-opening) to find out what you need to know about our reopening.

We're celebrating 85 years!
